THANK YOU:

Dear Fr. Gaudy and Parishioners of Holy Family,

On behalf of the volunteers of St. Peter the Apostle Parish Migrant and Immigrant Family Ministries, I would like to thank you for the wonderful support you gave this year to needy families on the Eastern Shore both at Thanksgiving with donations of food and at Christmas with lovely Christmas gifts. In both cases the material goods were accompanied by a supply of gift cards which will enable our ministries to continue to help families as need arises.

Please pass along our special thanks to Alfie Martinez-Coyle, Gwen Stinard, and Mike DeJaeger, who have coordinated the Thanksgiving and Christmas programs for many years, and to all the volunteers and parishioners who provided food for needy St. Peter’s parishioners and gifts for fourteen families, representing forty-nine children. The generosity of your parishioners is amazing and ongoing from year to year. The gifts of clothing and toys lessen the stress that immigrant parents who work at minimum wage jobs or jobs with frequent layoffs feel when trying to provide Christmas gifts for their children. And we volunteers at this end experience the joy of being the messengers of your goodwill.

We wish you the best of God’s blessings in the New Year.

Rev. Merlito M. Abiog, Pastor
Kathleen Bredimus,

“CARE FOR OUR EARTH”

When I notice how some people, like relatives of mine, neglect the energy efficiency of their houses by letting water run unnecessarily, leaving on lights and appliances, paying little or no attention to heat loss in the winter and cool air loss in the summer I wonder if they give any thought to how these practices impact our Earth!! When pointing out this waste to them the response often is “Well, I pay for it, so I can do as I please.” That reply, I think, reflects a person who either does not care about our Earth or pays no attention to the consequences of their actions. Unfortunately, such people have the mindset that they own the air, the water, and the earth. They do not seem to realize that paying for energy use does not entitle them to squander resources. Pope Francis has stated that the disregard or abuse of our Earth’s well-being is a betrayal of God. Pretty strong statement! We can hope that more and more people will wake up to this outlook, especially through our words and example, and repent of their ways (change their ways).
