PARISH OFFICE HOURS

Monday-Thursday from 9:30 a.m.-4:30 p.m.

Friday from 9:00 a.m.-1:00 p.m.

NATIONAL VOCATIONS AWARENESS:

“The harvest is plentiful, but the laborers are few.” Are you being called by the Lord of the harvest to proclaim His kingdom as a priest, deacon or in the consecrated life? Call Father Michael Boehling at 804-359-5661 or e-mail at mboehling@richmonddiocese.org.

“Winter is Coming”: Now that we have your attention, and we have determined whether or not you are a Game of Thrones fan, welcome summer!! Are you looking for fun, local activities to do with your whole family? Check out your neighborhood Recreation Center, take a day trip to Yorktown or Williamsburg, and visit <http://www.beachstreetusa.com/calendar> for fun Oceanfront happenings! There are a wide variety of activities available for kids of all ages. Enjoy your summer break!

VBS and the Day School: Every year around this time, you can find the classrooms of the Day School reconfigured to house an exciting week of Vacation Bible School. The community efforts required to make the event such a huge success actually shows the students how much God loves them through the caring attitudes of each teen and adult volunteer. So, thank you to all who assist with this very important and motivating ministry!

Box Tops for Education: So, you are making your famous homemade apple pie (or cookies, or cake, or brownies) for that family get-together when you reach for the brand new box of Land O’Lakes butter and see.

Please CLIP AND SAVE these box tops for our parish Day School! Thank you!!!

Independence Day: The Day School would like to wish everyone a very happy 4th of July. Hopefully, you will be able to relax and enjoy some well-deserved family time and maybe some fireworks, too!

PLEASE LOCK OUR DOORS: There have been several recent instances where Church doors have been left unlocked with no one in the building. As a reminder, please be sure to lock the Church doors and turn off lights at the completion of your event or meeting. All doors are checked by the Servant Leadership Team at the close of business during the week, but on evenings and weekends, the various ministries using the building are responsible for locking up. Thank you for your assistance.

THANK YOU: My heartfelt thanks to all those who supported my Jubilee Celebration. The food was magnificent, and enough of it to feed an army! It will be a joyful memory that will always be with me. You will remain in my prayers.

Fr. Joe Slattery

CHRISTMAS IN JULY – FOOD PANTRY FOOD DRIVE:

Many of the families we serve rely on our schools to feed their children two meals a day. Children go hungry every day during the summer months. We will have a "Christmas in July Food Drive." Flyers will be on the chairs in the Church the weekends of July 2/3 and July 9/10. Please bring in extra food for our Food Pantry so that we can help feed the hungry of our community. We cannot do this without your generous support.

“CREATION CARE CORNER”:

Usually, people are not too concerned, or get too involved with matters that do not directly impact them. An example would be the ATLANTIC COAST PIPELINE. This pipeline will run 550 miles, from the shale fields of West Virginia to Virginia's coast somewhere around York County to southern North Carolina. This high pressure pipeline could be the first to be built across steep forested terrain as found in the Alleghenies and the Blue Ridge Mountains, which raises questions about its stability. The current plans for its path will impact our popular Forests and Trails. Pipe leakage and the rupture of these pipelines due to unstable soil structure would contaminate the ground water in surrounding areas. The risks of ruptures and explosions (since 2010 there have been 328 significant pipeline incidents in the U.S.) are a real and credible threat. “Significant incidents” mean significant property damage, inpatient hospitalization, and even fatalities occurred. Landowners and businesses along the route will see a decrease in property values because of the visual effects of a 75 to 125 ft. wide clear cut and the threat of explosion. A pertinent question would be how many other pipelines will branch off this one. Pipelines increase our dependence on the damaging practice of fracking that triples carbon emissions which contributes to sea level rise. We Dominion customers will be stuck with the bill when these gas infrastructure projects get shut down early to address climate change. The funds spent on pipelines is money not available for investment in renewable energy. Now you make the decision if the Atlantic Coast Pipeline calls for our involvement, and needs to be a concern of ours? (The facts in this article are drawn from Sierra Club materials.)
