OCTOBER IS RESPECT LIFE MONTH

“**Moved by Mercy**” is the theme of the U.S. Bishops’ Respect Life Month in October.

“Every person is sacred and must be treated with the dignity they deserve,” stated Cardinal Timothy Dolan, chairman of the Bishops’ Committee on Pro-Life Activities. “No one should ever be treated callously or carelessly – everyone should be cherished and protected!”

“From each tiny child waiting to be born, to individuals nearing death, all are precious and deserve our care and protection. Women and men suffering after abortion, individuals tempted to end their lives, couples longing to conceive a child, people pushed to the margins of society by a “throwaway culture,” expectant mothers facing challenging pregnancies, and every other person—each “has a place in God’s heart from all eternity.”

Do something concrete this month: visit an elderly neighbor or shut-in; call a lonely friend; donate to the Crisis Pregnancy Center or the Diaper Bank; join in prayer at Planned Parenthood on Fridays with other Holy Family members; and pray for a culture of life in this country.

MIDDLE SCHOOL PARENTS: Middle School Rally, Saturday, October 22 at Bishop Sullivan High School. A one day gathering of middle school youth from across the Diocese. A high-energy day filled with opportunities to gather as a Catholic diocesan community which integrates fun and community building with the richness of our Catholic faith. For more info and to sign up, contact Jeff in the Parish Office.

Thank you for your continued support of the Day School! Forty percent of all the sales go directly to the day school and since we are a non-profit, you do not have to pay tax on your purchase!

40 Days for Life is a focused pro-life campaign of prayer, fasting, and peaceful vigil to end abortion. WEEKLY WISDOM

Over the next few months we will journey through the Parts of the Mass. Over the next three weeks we focus on the Introductory Rites of the Mass.

Gathering

As we gather, the Baptismal font is located at the entrance to the church to symbolize that through the waters of Baptism, the faithful enter the life of Christ. We dip our fingers into the water, and then make the sign of the cross to remind us of our Baptism and of Christ who called himself the “Living Water.”

Before we enter the church row we genuflect to the Tabernacle; if the Tabernacle is not in the sanctuary, we bow to the altar. We do not have the Tabernacle in our church, so we can bow to the altar.

Have a blessed week,
Your AFF Team

CATHOLIC DIOCESE OF RICHMOND GUIDELINES FOR POLITICAL ACTIVITY IN PARISHES:

Our state and nation is in the midst of election season that will yet again determine the direction the United States takes in the future. In this summer of political conventions, Bishop DiLorenzo once again encourages Catholics to learn the issues being debated, to consider them using the light and wisdom of Church teaching, and to take an active role in the political process.

While our Church teaches that "responsible citizenship is a virtue and participation in political life is a moral obligation..." (*Forming Consciences for Faithful Citizenship, USCCB*), our Catholic parishes do not enter the political fray as partisans. We consider issues in light of Catholic principles, but we do not endorse candidates or show favoritism to either political party.

Several years ago, the Virginia Catholic Conference, the public policy representative of the Virginia Bishops, issued political guidelines for our parishes and other diocesan entities. Please follow these guidelines during this political season and beyond. You can find the guidelines by visiting the Virginia Catholic Conference at www.vacatholic.org.

HOLIDAY CRAFT SALE!!!

The annual J.O.Y. Club Craft Sale will be taking place on the weekends of **November 5/6 and November 12/13.** Plan now for your holiday shopping. There will be gifts for all of your friends and relatives. There will also be the annual Quilt Raffle.

WORLDWIDE MARRIAGE ENCOUNTER:

As men and women of God we are to "pursue righteousness, devotion, faith, love, patience, and gentleness." We are called to keep his commandment to love one another as he has loved us. Is this evident in your lives and marriages? Strengthen, renew, and rekindle your marriage by attending a Worldwide Marriage Encounter on October 21-23 in Norfolk or November 18-20 in Norfolk. For more information or to apply, visit our website at www.renewmarriage-vasouth.org or contact us at applications@renewmarriage-vasouth.org or 757-483-3209.

"CREATION CARE CORNER:"

If food waste were a country, green house gas emissions would rank it 3rd in the world behind the U.S. and China, according to a United Nations report. Experts estimate that U.S. citizens trash half of all the food we grow and produce. We are responsible for a quarter of global food waste! And this fact is the reality in spite of one in seven Americans being food insecure! Twenty per cent of produce never makes it off the farm because of aesthetic challenges (crooked carrots, misshapen apples, etc.). Growers often overproduce to insure that they meet the volume specifications for orders, leaving the cosmetically defective castaways out to rot. The good news is that this issue is finally being addressed by our legislators, who are proposing a series of new initiatives to reduce food waste, which also has the potential of creating jobs, conserving water, and combating climate change. Already, there are non-profit organizations in California and Washington, D.C., whose goal is to change the traditional food system. A couple of them are branding the reject produce in a more positive light and teaming with food companies, like Whole Food, to sell the produce at a discount of 30%-50%.

Personally, just to name a few, we can avoid food waste by being more careful to prepare only the amount of food that will be consumed. Another approach is to save the leftovers, if there are any, for an icebox jubilee on another day. Or if there are any leftover vegetables (not meat or dairy products), we can compost them.
